What our members say about the Trust in York:

"As a York Civic Trust member you have access to hidden gems and little known places, where the public are not usually allowed, and with the bonus of a being led by a really knowledgeable expert. It is so exciting when a door is opened."

"York Civic Trust was a key way in which I explored and discovered this fascinating city. The passion of the Trust's support is infectious and membership is both a way of sharing in that enthusiasm and of publicly showing support."
